- The app is **endorsed** and marked as a Verified Q App

The screenshot shows the 'Amazon Q Apps' interface. At the top, a green banner displays the message: 'Successfully updated state of Career Coach Application to Verified'. Below this, the title 'Amazon Q Apps' is followed by a 'Info' link and a 'View library in web experience' button. A navigation bar offers 'Apps' and 'Settings' options. The main section is titled 'Published Amazon Q Apps in library (1/3) Info' with a note to 'Update the state to Verified to endorse that they have been validated for quality.' A search bar labeled 'Search Amazon Q Apps' is present. To the right are 'Remove from library' and 'Update state' buttons. A table lists three apps:
